

Identity: OxB_85/40_ZR

EC-Declaration of Conformity

Producer: **MOL Plc.**
Október huszonharmadika út 18.
1117 Budapest
Hungary

Production Plant: **MOL Plc.**
Zalai Finomító
H-8900 Zalaegerszeg, Zrínyi út 6.

Hereby declare that the product Oxidised Bitumen meets the requirements of the following European standard: **EN 13304:2009**

The Hungarian version of standard
MSZ EN 13304:2009 Bitumen and bituminous binders. Framework for specification of oxidised bitumens

Product commercial name:

Oxidised Bitumen 85/40

Product application: Waterproofing of buildings, constructions and foundations. Waterproofing and hot-applied adhesives for roofing, roofing felts. Coating and lining of steel pipes, constructions against corrosion.

In conformity with the standard MSZ EN 13304, the initial type test, this on subject to a certification by a notified laboratory, has been carried out by.

Name and Address of Testing Laboratories:

MOL Nyrt. Százhalombatta Production MOL / Quality Control
Zala Refinery Quality Control (NAT-1-1015/2012)
H-8900 Zalaegerszeg, Zrínyi Miklós út 6.

The following characteristics were verified within initial tests: 2077616

Technical Datasheet

Property	Test method	Units	Specification
Softening point	MSZ EN 1427	°C	80-90
Penetration at 25 °C	MSZ EN 1426	10 ⁻¹ mm	35-45
Breaking point	MSZ EN 12593	°C	≤ -15
Flash point by Cleveland	MSZ EN ISO 2592	°C	> 250
Solubility	EN 12592	%	≥ 99
Weight lost after heating	EN 13303	%	≤ 0,5
